## DEAD SEA SALT

- Supports natural skin health by protecting the skin's barrier
- Softens, hydrates, and balances all skin types
- Soothes and calms dry, itchy and irritated skin
- For more comfortable, supple, and manageable skin
- Suitable for use on skin prone to eczema, psoriasis and acne
- Tested and approved as microbiome-friendly
- For naturally healthy skin

**PRECAUTIONS, READ BEFORE USE:**  
For external use only. Avoid contact with eyes. If this occurs wash affected area thoroughly with water. If irritation occurs, discontinue use.

### HOW TO RUN THE PERFECT BATH

- 1 Run a warm bath  
(37-38°C for sensitive skin)
- 2 Add 2-4 cups of Dead Sea salts for dry, itchy skin
- 3 Dim the lights to create a soothing, cosy atmosphere
- 4 Relax & enjoy for at least 20 minutes

**MADE IN THE UK BY:**  
Westlab Ltd, 27 Durdash Park, Cambridge CB3 9TB, UK

**100% NATURAL INGREDIENTS:**  
Maris Sal (Dead Sea Salt)

Independently tested for purity. Vegan & responsibly sourced.  
Naturally sun-dried, may contain some insoluble grains from the Dead Sea.

Keep sealed in a cool, dry place as over time salt can attract moisture.  
This is a natural product, so there can be variation in the colour and texture.

THIS POUCH AFTER USE.

Himalayan salt is a natural rock-salt, so dissolves slowly and can leave insoluble grains. For comfortable bathing, we suggest  
adding the salt to dissolve at the foot-end of the bath only. Take care with delicate bath surfaces and rinse bath well after use.

**100% NATURAL INGREDIENTS:**  
Sodium Chloride

Independently tested for purity. Vegan & responsibly sourced.

Keep sealed in a cool, dry place as over time salt can attract moisture.  
This is a natural product, so there can be variation in the colour and texture.
