

Olbas®

6 Patches

Olbas Breathe Easy Patches

Olbas Patches are infused with a blend of oils for easy breathing. The comforting aroma lasts for up to 8 hours to help your little ones sleep easy. Olbas Patches contain 6 individually wrapped self-adhesive patches.

Directions:

Suitable for children aged 3 years and over.

- 1 Open the sachet carefully and gently pull out the patch.
- 2 Remove the transparent protective layer.
- 3 Apply the patch to clothing or bedding at a distance of at least 30cm from the face and preferably near the chest. Remove the patch gently at the end of the application.

Once opened use immediately. Do not use more than one patch at a time. Each patch is single use only.

Storage: Store in a cool, dry place below 30°C

Caution: Read the label before use. For external use only. Do not apply directly on the skin. Apply the patch to clothing or bedding at a distance of at least 30cm from the face and preferably near the chest. Do not put near the mouth or nostrils. Harmful if swallowed. In case of accidental ingestion consult a doctor. Avoid contact with eyes, mucous membranes and damaged skin. In case of contact with eyes rinse well with water. Keep out of the sight and reach of children and animals. Do not use during pregnancy or breastfeeding, in children less than 3 years, or in persons with asthma or allergies to any ingredients. If you or your child experience any side effects from using this product, stop using the product immediately and seek medical advice. Do not disperse in aquatic environments. Harmful to aquatic life with long lasting effects. Keep away from heat sources. Special precautions for disposal: Any unused product or waste material should be disposed of in accordance with local requirements. Avoid contact with delicate materials. Do not use after printed expiry date on sachet. Keep the product packaging available for future reference.
