LIVER ALLY®

Why choose our Liver Ally®?

Our plant-based Liver Ally® features Choline, essential for maintaining normal liver function, and extracts from three ayurvedic plants: Chanca piedra, Punarnava, and False daisy, known for their benefits in supporting liver health.

Who is this for?

For those looking to detoxify the liver and alleviate liver-related ailments, including cirrhosis, fatty liver, bile disorders, jaundice, and hepatitis C virus.

What is the recommended intake?

Consume one capsule daily, preferably with a meal. Refrain from exceeding the recommended dosage.

Nutritional Information (Per capsule)

	Portion	%NRV
Choline bitartrate	206.55 mg	-
Elemental Choline	85 mg	-
Chanca piedra	50 mg	-
Punarnava	50 mg	-
