Food supplement • 30 tablets

THE PATH OF VITALITY | SINCE 1990

New Nordic is a Scandinavian-based company established in Roskilde, Denmark in 1990. Over the years, we have built up a special know-how within vitality-giving herbs. Our expertise and passion has resulted in the development of innovative and effective health and beauty products that work in harmony with your body. We do not compromise on the quality and safety of the products we deliver. This makes the characteristic "silver tree logo" a seal of quality trusted by people all over the world.

BRAIN FUNCTION

The brain is the largest and most important part of your nervous system. It contains billions of neurons, and is home to thoughts and feelings. It receives and coordinates signals from your senses, movement and memory. **Lion's Mane™ Active Brain** contains iodine which contributes to normal cognitive functions such as memory and attention and pantothenic acid which contributes to normal mental performance and to the reduction of tiredness and fatigue. Lion's Mane™ Active Brain is a lion's mane based tablet combined with herbal extracts.

RECOMMENDED DAILY DOSE

Take 1 tablet daily with a meal. Food supplements are intended to supplement the diet and should not be a substitute for a varied diet or healthy lifestyle. Do not exceed the stated dose. **Caution:** Seek professional advice before using if you are pregnant or breastfeeding. **Warnings:** Not suitable for children under 12 years of age. Do not use if the blister packaging (inner foil) is broken or tampered with. Keep out of reach of children.
