- **Cleansing Cocoa Butter formula**
- **Entirely Sustainable Packaging**

SKUS

- **FTP-60EP**
- **FTP-60AC**
- **FTP-60SO**

This natural non-foaming toothpaste contains naturally occurring Calcium Fluoride 1350ppm (parts per million) that helps remineralise enamel and prevent tooth decay. Flavoured with organic Peppermint Oil for a fresh taste, this Fluoride Toothpaste is an alternative to conventional toothpastes as it removes surface stains naturally, without any harsh, abrasive or harmful chemicals for your teeth & gums.
