DERMA PACT

Advanced Marine Collagen Beauty Formula

Derma Pact is a premium marine collagen beauty complex that goes beyond traditional collagen supplements. Combining high-quality Type I Marine Collagen with Hyaluronic Acid, Biotin, Vitamins C & E and carefully selected supporting nutrients, it provides a comprehensive daily approach to skin, hair and beauty nutrition in just two capsules per day.

Unlike single-ingredient collagen products, Derma Pact combines multiple complementary nutrients in one convenient formula. Biotin contributes to the maintenance of normal hair and skin, while Vitamin C contributes to normal collagen formation for the normal function of skin. Vitamin E helps protect cells from oxidative stress, creating a complete daily beauty solution designed for today's health-conscious consumer.
