

Product

Name	Liposomal Daily Multi 30 Veggie Caps
Description	Balanced Liposomal Daily Multi Veggie Caps in our 100% reusable and recyclable bottle. Our Liposomal formulas are at the cutting edge of vitamin and mineral supplement research and development. Liposomal is a term used for nutrients that have been encapsulated in a lipid compound. This lipid compound has a composition similar to that of the cell membrane and is therefore readily absorbed into the cell, depositing the nutrients exactly where it is needed. Effectively this means much more (up to 95%) of the supplement is absorbed by the cells. Our Daily Multi is an everyday complex of vitamins and minerals needed to maintain your daily wellbeing. Vegan and free from excipients, soy, GMO, gluten, lactose, and sugar.
Code	BAL54
Barcode	5055177533047
