

DID YOU KNOW...

Rose Apples are named so because they have the crunch of an apple and the perfume of a rose!

Beneath the sun where the warm winds play,
a treasure trove blooms in a dazzling array.
Pineapple bursts like golden rays, it's tangy joy ignites
the tropical day. Rose apple blushes with a subtle
delight, a crisp kiss of the tropics, pure and light.
Dragonfruit dazzles, a gem in the night, it's vivid
hues a feast for the sight. Mango drips with
honeyed bliss, a golden embrace you cannot resist.
Passion fruit sings with a tart refrain, it's vibrant
heart a sweet-sour domain. Together
they dance, a radiant spree, bound by
the love of The Giving Tree.
