

TISSERAND®

AROMATHERAPY

*It's what's inside our essential oils
that really makes the difference.*

*Essential oils are at the heart of our brand, forming the roots from which we
have grown. We understand essential oils like no other & never compromise
on quality, using only 100% natural pure essential oils.*

Our philosophy is as simple today as it was in 1974

- *To work hard to source the best 100% natural pure essential oils of uncompromising quality.*
- *To share our heritage, knowledge & expertise in blending to create products you can trust.*
- *To offer a range of innovative products that provide a holistic approach to wellbeing & beauty.*
 - *To modernise aromatherapy making it more accessible.*
 - *To help enhance wellbeing, health & lifestyle.*
