Ionic Selenium 50ml - UK

53x115mm

Ionic liquid supplements are designed to promote optimal mineral absorption. Our ionic liquid supplements contain only the essential minerals suspended in de-ionised water, allowing them to be taken directly into the cells without the need for digestion or processing, resulting in targeted absorption and bioavailability. Selenium supports the maintenance of normal hair and nails, normal thyroid function, and the protection of cells from oxidative stress.

**Best Before:** See base. **Storage:** Store in a cool, dry place away from direct sunlight. Ensure cap is tightly closed to maintain freshness. Do not freeze. Food supplements should not be used as a substitute for a varied diet. Keep out of reach of children. Do not exceed the recommended daily dose.

Suitable for vegans. Naturally free from gluten and wheat. NO ARTIFICIAL COLOURS, FILLERS, PRESERVATIVES OR SWEETENERS
