## FLEXI PACT

### 7-in-1 Advanced Joint Support Complex Capsules

Flexi Pact is a premium 7-in-1 joint support formula that goes beyond traditional glucosamine supplements. Combining Glucosamine Sulphate with vegan Phytodroitin, MSM, Vitamin C and carefully selected botanical extracts, it provides comprehensive daily nutritional support for joints, cartilage and bones in just two vegan capsules per day.

Designed for consumers seeking a more advanced alternative to single-ingredient joint supplements, Flexi Pact delivers multiple complementary ingredients in one convenient formula. Vitamin C contributes to normal collagen formation for the normal function of cartilage and bones, while the carefully selected botanical blend completes this advanced daily joint support solution.
