

Spice Dept. — Single Spice Product Information

Range: 12 single-spice tins (35g / 25g / 20g / 15g)

Allergens

All products in the Spice Dept. single-spice range are free from the 14 declared allergens under FIC / Natasha's Law. Specifically, every product is free from: cereals containing gluten, crustaceans, eggs, fish, peanuts, soybeans, milk, nuts, celery, mustard, sesame seeds, sulphur dioxide and sulphites, lupin, and molluscs.

Products are 100% pure single spices with no added ingredients, carriers, or anti-caking agents. Vegan and vegetarian suitable.

Packing & Manufacture

All products are blended, weighed, and packed in a BRC Global Standard for Food Safety certified facility in the United Kingdom. Each tin is filled, sealed, and labelled under HACCP-controlled conditions.

Inner packaging: aluminium tin with food-safe liner. Outer case: recyclable cardboard.

Nutritional Information

Due to the very small serving sizes typical of culinary spice use (under 1g per serving), nutritional values per serving round to zero across all measured macronutrients (fat, carbohydrates, protein, salt). Full per-100g nutritional information is available on request for any individual SKU.

Shelf Life & Storage

Shelf life from production: 24 months. Minimum shelf life guaranteed on delivery: 12 months. Storage: ambient (cool, dry, away from direct sunlight).

Country of Origin

Raw spices are sourced from single-estate producers in India and Sri Lanka and are packed in the United Kingdom.
