Docosahexaenoic Acid (DHA)	100 mg	250 mg

mg =milligram

Ingredients list

Vegan Docosahexaenoic Acid (DHA) from marine algae, mixed tocopherols, olive oil, natural orange flavour.

Customer review

Finding vegan DHA that my toddler doesn't notice in her drink is very hard. This is the first one I've found that she doesn't notice the taste of, it's brilliant.

Using this product for my child for two years and we are very satisfied. She loves it, I mix it with a little bit of porridge every morning.
This package comes with a little dropper so it's super easy and quick to use.
