NUTRITION INFORMATION

Serving size: 30g in 350mL water

Servings per pack: 10

At Nuzest we believe in a world thriving on plant-based nutrition. We know that today's lifestyle and environment can mean our bodies need a little extra TLC. Our products are designed to help fill the gaps so you can enjoy optimal health and vitality.

Protein + Microbiotics has a base of premium European Golden Pea Protein. It's environmentally friendly, a natural source of iron and is easy to digest.

We've added to that shelf-stable microbiotics, and prebiotic fibres for nutritional support.
