Any new job will require a sample of a previously printed item for colour matching purposes. In the abscence of this a colour faithful GMG/Epson proof is recommended (Maximum cost £100). GMG/Epson proofs are a guide for CMYK print only and are not faithful representations of Pantone of Metallic inks. Without a colour reference the customer will take full responsibility for the colours produced/printed.

This proof file is a Low Resolution file. It is for item identification primarily and may not show images or colours the same as our High Resolution Print files.
