There is no trouble so great or grave that cannot be much diminished by a nice cup of tea.

strawberry & juniper infusion

Is there any fruit that screams summer more than a fresh, juicy strawberry? This tea harmonises their lush, summery sweetness with the aromatic zing of juniper for a flavour that's familiarly fruity with a surprising twist. A caffeine-free indulgence that's bursting with sunshiney, berry goodness for a sip of warm weather, all year round.

how we like it:

 1 temple per cup

 boil water to 100°C

 brew for 3-5 mins
