

Organic Lecithin Powder /200g/400ml / label size 82x230mm

KIKI's Lecithin powder is derived 100% from soybeans that have not been genetically engineered or modified. Soybean Lecithin is the richest and most natural source of lecithin. It is a phospholipid composed of choline and inositol and is a necessary component of every cell in the human body.

Best before end: See base. **Storage:** Store in a cool, dry place away from direct sunlight. Refrigeration is not required.

Food supplements should not be used as a substitute for a varied diet. Keep out of reach of children. Do not exceed the recommended daily dose.

Suitable for vegetarians and vegans. Naturally free from gluten and wheat.
NO ARTIFICIAL COLOURS, PRESERVATIVES, SWEETENERS OR FILLERS

KIKI HEALTH

Directions for use:

Adult and children over 8 years intake: one heaped teaspoon 2 - 4 times a day with a meal.

Lecithin can be used as a thickening agent and emulsifier; allow ten minutes or more for full thickness to take effect.

Add to other products that do not already contain lecithin such as KIKI's Organic Nature's Living Superfood.

Ingredients:

100% Soybeans

Two heaped teaspoons typically provides:

Phosphatidyl choline	4600mg
Phosphatidyl inositol	4000mg
Phosphatidyl ethanolamine	2800mg
Phosphatidic acid	1600mg
