Italian: 0726367913509

Swedish/Finish: 0764451365384

Packaging: STEEL TIN 100g

Product features: SOL DE IBIZA is a certified organic mineral sunscreen with 100% natural ingredients. Thanks to zinc oxide, it offers broad-spectrum protection (UVA, UVB rays and blue light) for the whole family. The SPF30 blocks 97% of UVB rays. Free of perfumes, parabens, chemical filters and nanoparticles, Sol De Ibiza protects the skin respecting the environment that surrounds it. The steel tin is recyclable and infinitely reusable. It's completely plastic free to respect the environment.

Thanks to the non nano zinc oxide, our products go beyond mere protection. Besides shielding from harmful rays, they boast antimicrobial and soothing properties, reducing redness, inflammation, and restoring your skin's natural balance.

How to apply: Apply liberally to your skin: face and body, its effect is immediate.

Sol de Ibiza is water-resistant, and its re-application is required after 40 minutes of swimming activity or intense sweating.

Useful recommendations: Cosmetic product - External use

Certifications Certificate COSMOS ORGANIC

Tests carried out on the product:

- Challenge test (Stability)
- Patch test (Dermatological test on sensitive skin)
- Nickel test (< 1 PPM)
- Determination of the sun protection factor (SPF) and water-resistance
