

Another name for me is
a strawberry pear, But that's not
really fair when you're a looker like me.
I'm scaly and sweet, like leather to touch,
With a vivid pink skin and a flavour so much.
Inside, I'm a burst of a jewel-toned dream,
A tropical treasure, like nothing you've seen.
I'm more than a fruit - I'm a colour and sound,
A feast for the senses, the best to be found!
So next time you see me, don't pass
me by, Give me a try, and
you'll soon see why.

Did you know?
The flower of the
Dragon Fruit cactus **ONLY**
grows at night!
