

NU46209 Magnesium Bisglycinate 500mg

Nature's Truth Magnesium Bisglycinate 500mg - 60 Tablets

OVERVIEW:

Each tablet contains 500mg of Magnesium Bisglycinate, a highly absorbable form of magnesium known for its superior bioavailability. This essential mineral plays a crucial role in supporting muscle relaxation, reducing fatigue, and promoting overall physical wellness, making it ideal for daily health and vitality.

KEY INGREDIENTS & BENEFITS:

Magnesium Bisglycinate: This chelated form of magnesium is highly absorbable and gentle on the stomach, providing a convenient way to ensure optimal magnesium intake. Magnesium contributes to normal muscle function, supports the nervous system, and aids in the reduction of tiredness and fatigue.

This supplement is ideal for those seeking a vegan, gentle, and effective source of magnesium to support energy, relaxation, and overall health.
