

300mg/100ml CharcoalCaps / label size 48x140mm

<p>KIKI's Activated Charcoal Capsules are derived from finely reduced powder (5-10 microns), which presents a huge surface area for the absorption of unwanted substances. KIKI's Activated Charcoal is produced from sustainable coconuts which have been highly purified with steam to remove any contaminants and washed in water to remove any charcoal residue. Activated Charcoal is an effective supplement for gastrointestinal health as it contributes to reducing excessive flatulence after eating.</p> <p>Best before end: See base.</p> <p>Storage: Store in a cool, dry place away from direct sunlight. Refrigeration is not required.</p> <p>Food supplements should not be used as a substitute for a varied diet. Keep out of reach of children. Do not exceed the recommended daily dose.</p> <p>Caution: Not to be taken at the same time as medications or other food supplements. If pregnant or nursing, consult your healthcare practitioner prior to use.</p> <p>Suitable for vegetarians and vegans. Naturally free from gluten and wheat. NO ARTIFICIAL COLOURS, PRESERVATIVES, SWEETENERS OR FILLERS</p> <p>KIKI Ltd. Unit 4, Aylsham Business Estate, Shepheards Close, Aylsham, Norfolk, NR11 6SZ.
