The Beauty Tool Experts

## MOUSTACHE ESSENTIALS

### Moustache Scissors & Comb

The Moustache Scissors and Comb feature sharp, precision blades for detailed cutting and maintenance of facial hair, paired with a comb is for brushing before and after trimming.

#### FEATURES & BENEFITS:

---

- Scissor features sharp cutting blades for detailed trimming, pointed tips can isolate one hair at the time.
- Stainless steel scissors are durable and easy to clean.
- Comb & Scissors are ergonomically designed for added comfort and control.

#### HOW TO USE:

---

1. Start by combing moustache or beard in the direction of hair growth.
2. Cut small amounts of hair at a time.
3. Comb moustache and beard into desired style once finished trimming.

**CAUTION:** BLADES ARE SHARP. DO NOT CUT LIVE SKIN. HANDLE WITH CARE. KEEP OUT OF REACH OF CHILDREN.
