## Organic Mulberry-Pomegranate

Mulberry is a good source of antioxidants rich in anthocyanins. Anthocyanin is anti-inflammatory and pain-reducing and healing. It is an anti-aging source with resveratrol in its content. Studies show that resveratrol can lower blood pressure and reduce the risk of heart disease. Such an antioxidant-rich fruit also has a protective effect against cancer and aging, which fights free radicals.

# Organic Cherry Juice

Cherry fruit contains plenty of anthocyanins. Anthocyanin, which provides pigmentation, especially in red and purple fruits and vegetables, creates a very strong antioxidant effect in the fruit it contains. Our body has at least 3000-5000 oral units a day to reach the oxygen capacity that should be found in the blood, and cherry helps the blood reach this capacity.

Oat Milk

It purifies the body by eliminating toxins and bloating in the abdomen. The antioxidants it contains help protect us from some harmful free radicals that accelerate premature aging. In addition, the essential amino acids we get from this drink support our cells to stay healthy for a longer time. It regulates the sugar level. Since oats have a high ability to keep glucose under control, they are recommended for diabetics. It protects the nervous system. Vitamin B, which is high in its content, helps us to feel calm. For this reason, drinking oat milk can be beneficial for those who experience stress and anxiety. It contains important substances such as potassium, magnesium and zinc. These nutrients are extremely important for bone formation and strength. It can help lower cholesterol as it contains significant amounts of omega-3s. It reduces bad cholesterol and triglycerides called LDL, and increases good cholesterol.

**Ingredients:**  
Oat milk, banana puree, fig puree, pomegranate concentrate, purple carrot juice concentrate, natural pomegranate flavour.

Pomegranate & Fig

**Ingredients:**  
Oat milk, banana puree, peach puree, apricot puree, lemon juice concentrate, provitamin A, natural peach flavour.

Peach & Apricot

**Ingredients:**
