SPECIAL OVEN

CRUNCHY
100% CHEESE
SNACK

Quattrocento is a bold, full-bodied hard cheese, one of many products produced in Italy by Granarolo, a dairy set up in 1951 from a small cooperative near Bologna. Each wheel is made from 400 (Quattrocento) litres of fresh milk in traditional copper Caldaia and matured on wooden shelves. Get ready for a seriously punchy tang and a snack like no other! Seriously.
