

# PRECISION GRIP FINGERNAIL CLIPPER

RRP  
£14.00

ITEM CODE 30221-MG

Heavy duty Fingernail Clipper for men's nails.

Sharp, curved blades to follow the natural shape of the nail.

Textured body maximises control and comfort for precision cutting.

Case designed to catch clippings for easy clean up.

Stainless steel blades for easy cleaning and durability.

## HOW TO USE

Lift up and rotate lever of clippers.

Clip nails into the desired shape by starting at the corners and clipping toward the middle of the nail.

Next, clip the centre to finish the shape. This will apply less stress on the natural nail and help prevent the chance of splitting while clipping.

Slide off rubber cover on tool handle to easily empty the clippings from inside the case.
