Marketing Description

Our Flavoured Cheese Selection includes four brand-new cheeses: Mature Farmhouse. Our “new Original”. A mature cheddar style cashew cheese that’s aged to perfection. Ched Chilli Explosion. Our new cheddar-style cheese is infused with mild and hot peppers, mustard seed, tomato and black pepper. It’s a spicy cheese, but intended to be a manageable amount of heat for most people. Niceleydale & Cranberry. Customers already compare our Cranberry cheese to Wensleydale, so we decided to take things to the next level. A future customer favourite we’re sure. Ched & Balsamic Onion. Our new cheddar-style cheese is mixed with sliced balsamic onions, which infuses throughout the entire cheese during the aging process.
