How to use

Apply shampoo generously to wet hair to form a lather, enjoy its floral scent and rinse. The shampoo refill is designed to be poured into a Bower dispenser. Simply return the empty pouch to Bower using the free post address on back of pack to be refilled and reused.

For best results follow with our dahlia & vanilla conditioner refill.

Avoid contact with eyes. If contact occurs rinse thoroughly with clean water. If irritation occurs stop use. Keep out of the reach of children

Eliminating ocean-bound plastic

With every Bower order we work with our partners CleanHub to prevent ocean-bound plastic waste.

We have committed to stop 10,000 kgs of non recyclable plastic from entering our oceans this year. Bower Collective enables the safe collection and recovery of ocean bound plastic waste, working directly with waste-picking communities in Kerala, India. Your contribution, through your order, supports clean environments and creates sustainable jobs in the global south.
