Product Format:	Cream deodorant
Product Dimensions:	6.5cm x 6.5cm x 4.6cm
Key Features:	• All natural ingredients • Only essential oils for fragrance • Extra-strength odour protection • Plastic-free packaging • The Vegan Trademark • Cruelty Free International

Description

Active Deodorant Balm Orange + Bergamot is designed for customers who need extra-strength odour protection for workouts, busy days, stressful commutes and active lifestyles. Sweet orange and refined bergamot create a fresh, vibrant citrus scent with broad everyday appeal.

Formulated with sodium bicarbonate and magnesium to neutralise odour naturally, it delivers stronger all-day freshness without blocking pores. Unlike many natural deodorants, it works from first use with no detox period required.

The fast-absorbing balm texture is applied by hand, allowing it to rub in fully for better coverage and helping to prevent white marks on clothing.

Key selling points include extra-strength odour protection, aluminium salt free formulation, 100% natural fragrance from essential oils, vegan and cruelty-free credentials, plastic-free packaging and UK manufacturing.

The 55g glass jar typically lasts 10 to 12 weeks with daily use, offering strong value for customers and excellent repeat purchase potential for retailers.

Directions

Ensure hands are clean and dry. Warm a small amount between fingertips and apply to each underarm, ensuring to rub in fully.

Ingredients

Sodium Bicarbonate, Cocos Nucifera Oil (Coconut Oil), Maranta Arundinacea Root Powder (Arrowroot Powder), Olea Europaea Fruit Oil (Olive Oil), Butyrospermum Parkii Butter (Shea Butter), Magnesium Oxide, Euphorbia Cerifera Cera (Candelilla Wax), Kaolin (Clay), Citrus Sinensis Peel Oil Expressed (Orange Essential Oil), Citrus Aurantium Bergamia Fruit Oil (Bergamot Essential Oil), limonene, citral, linalool (naturally occurring in essential oils)
