To make pizzas as authentic and delicious as any pizzeria in Italy, our starting point has always been the base. From a **'mother dough'** starter, we create **sourdough pizza bases** in the traditional Neapolitan style. After **slow-proving** for 24 hours, we fire them in a **wood oven** before we add our toppings by hand.

ALTOGETHER

ITALIAN

In Italy, few things matter more than **good food**. It's a deep-rooted belief in the power of food to bring people together, a belief we share at **Crosta & Mollica**.
