LOVE CBD BALM

30g Pot (300mg CBD)

Love CBD Balm

Our multi-purpose, CBD-rich skin balm. It contains the extract of hand-harvested cannabis flowers, taken from cannabis which was grown in the sunny climes of Slovenia and Croatia.

'A little pot of gold' – endless uses

We like to think of our **Love CBD Balm** as a little pot of gold. With a near endless list of uses, you'll find that a little **Love CBD Balm** goes a long way.

Important Information:

Suggested Usage:

Apply topically as often as required.

Love CBD Balm is extracted without the use of solvents. We use CO² Extraction, which is considered the safest method of extraction. With CO² extraction, warm air is passed over the cannabis flowers until the cannabinoid oils are released.

Our cannabis is grown on farms that do not use pesticides, herbicides, artificial fertilisers or harmful chemicals.

Ingredients:

Cannabis Sativa L,
Coconut Oil, Shea Butter,
Theobroma Cacao, Grape
