Ionic Electrolytes 50ml - UK
53x115mm

5 060018 515618

Ionic liquid supplements are designed to promote optimal mineral absorption. Our ionic liquid supplements contain only the essential minerals suspended in de-ionized water, allowing them to be taken directly into the cells through the bloodstream without the need for digestion or processing, resulting in targeted absorption and high bioavailability. High in chromium which contributes to the maintenance of normal blood glucose level.

Best Before: See base. **Storage:** Store in a cool, dry place away from direct sunlight. Ensure cap is tightly closed to maintain freshness. Do not freeze.

Food supplements should not be used as a substitute for a varied diet. Keep out of reach of children. Do not exceed the recommended daily dose.

Suitable for vegans. Naturally free from gluten and wheat. NO ARTIFICIAL COLOURS, FILLERS, PRESERVATIVES OR SWEETENERS

Manufactured in the United Kingdom
