Nature's Truth Multi-Biotic 3 Live Strains + Vits C, B3, B5 & B6 - 60 Gummies

OVERVIEW:

These Kids Multi-Biotic Gummies combine essential vitamins and beneficial live cultures to support your child's digestive health and immune system. Each gummy contains a blend of 3 live bacterial strains alongside vitamins C, B3, B5, and B6, offering daily support in a tasty, child-friendly format.

KEY INGREDIENTS & BENEFITS:

3 Live Probiotic Strains: Formulated with *Lactobacillus casei* LC89, *Lactobacillus rhamnosus* LRa05, and *Bifidobacterium infantis* B145, these probiotics are specially chosen to support digestive health and promote a balanced gut microbiome, helping kids feel their best each day.

Vitamin C: Known for its immune-supporting properties, vitamin C helps protect children's immune systems, supporting their body's natural defenses.

Vitamin B3, B5, & B6: These essential B vitamins play an important role in energy metabolism, helping convert food into energy and supporting overall vitality and growth. They also contribute to nervous system health and mental performance.
