PRODUCT DESCRIPTION

To prepare your skin

The Bambaw shaving soap prepares the skin by softening and lifting the hair for a smoother shave and a moisturized skin. Our soap is vegan, cruelty-free and palm-oil-free.
Our zero waste alternative to shaving foam or cream is really easy to use. It is fully suited for an application with a shaving brush and also fits perfectly in the hand for an easy grip and a smooth application directly on the skin. Our shaving soap is unisex and is the perfect addition to any shaving product collection.
