Organic Pump Soap into wet hair until it lathers, then rub and rinse. Repeat for thicker or longer hair. | 4-in-1 Organic Pump Soaps are good for washing hands, face, body & hair & place by your sink or in the shower! To wash hair work one pump of Organic Pump Soap into wet hair until it lathers, then rub and rinse. Repeat for thicker or longer hair. After washing, follow up with a lightly acidic conditioning rinse, like Dr. Bronner's Citrus Organic Hair Rinse to leave hair silky smooth! Don't have our Organic Hair Rinse? Use diluted apple cider vinegar or lemon juice! OAC | Caution! Don't drink soap! Keep out of eyes; wash with water 15 min., and consult physician if irritation persists. Do not refill with Dr. Bronner's 18-in-1 Pure Castile Liquid Soap, which can clog the dispenser and spurt soap. In this formula, the shikakai extracted in organic natural sugars also keeps the pump from clogging. | Y                         | Y                       | Nature & BDN                                             | Y                                         | Y                                         | N                                       | N                | N              | No, Fair for Life Certification                         | USA               | 0018787830536 | 5018787830531 | Bottle: Y                            | Bottle: Y                                              | Bottle - made from 100% post consumer recycled plastic        |
