# MARGHERITA SOURDOUGH PIZZA

TOMATO, MOZZARELLA & OREGANO

To make pizzas as authentic and delicious as any pizzeria in Italy, our starting point has always been the base. From a **'mother dough'** starter, we create **sourdough pizza bases** in the Neapolitan style. After slow-proving for 24 hours, we fire them in a **wood oven**. After slow-proving for 24 hours, we fire them in a **wood oven**.

Don't underestimate Margherita's simplicity. Its ingredients are laid bare and only the best will do. Our sauce follows a traditional recipe using just **tomatoes**, olive oil and salt. Over that, we add a creamy Italian fior di latte **mozzarella**, plus a generous sprinkling of **aged Italian cheese** from Sicily.

In Italy, few things matter more than **good food**. It's a deep-rooted belief in the power of food to bring people together, a belief we share at **Crosta & Mollica**.
