

ecozone®
Since 2000

concentrated plughole hair unblocker

- ✓ Cuts through tough blockages in the bathroom.
- ✓ Breaks down organic matter & dissolves hair.
- ✓ Non-toxic & non-corrosive solution.
- ✓ Made with enzymes*

2
uses

How to use

1. Shake well to activate solution.
2. Flush the drain with 2L of hot water before use.
3. Follow up with pouring ½ (125ml) of the bottle of drain unblocker down the plug hole.
4. Leave overnight or no less than 8 hours, then flush through with 2L of hot water to clear.
5. Repeat treatment if necessary.

EN Contains amongst other ingredients: Non-Ionic Surfactants and Calcium Thyoglycollate. For a full list of ingredients, go to ecozone.com

Medical Personnel can request the data sheet via +31 36 54 94 777

DANGER

IF ON SKIN: Wash with soap and water. If skin irritation or a rash occurs get medical advice. Wash contaminated clothing before reuse. Keep out of reach of children. Contains enzymes. May produce an allergic reaction in sensitized individuals. Avoid breathing product spray.

EN Causes serious eye damage. May cause a skin reaction. Wear protective gloves. Wash hands thoroughly after handling.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a **POISON CENTRE** or doctor/physician.
