Glebe farm Foods Product Specification Sheet

WARRANTY:

This product is prepared, processed, packaged and handled under strict hygiene conditions consistent with the principles of good manufacturing practice and complies with all relevant UK and EU legislation at the time of supply.

This specification and its contents are confidential and should not be disclosed to a third party without the written approval Glebe Farm Foods Ltd.

It is the responsibility of the user to ensure this information is appropriate and complete with respect to the specific use intended for the product. Local national regulations should be consulted for the intended specific application and declaration as legislation may vary from country to country.

The information stated is provided in good faith. It is based upon the product formulation, the data provided by our raw material suppliers and the factory of manufacture at the date of issue of this specification.

This product conforms to EU MRL for pesticides.
