GFSI STANDARD

The production site holds a certification according to a GFSI standard. Production implements GMP and HACCP practices.

SUSTAINABILITY

- Oatly is a member of EcoVadis, CDP, and Sedex (Sedex company number: ZC402969866)
- Oatly products have qualified as Climate solution products by the ERI Climate Solutions Framework.
- Oatly has an ambitious Sustainability Plan, with science-aligned climate targets until 2050.
- Oatly is recognized as a climate solution company. Our climate targets align with the global Carbon Law concept and focus on achieving societal net-zero emissions. This is an alternative to SBTi which currently does not support growth of climate solution companies.
- Oatly's sustainability work internally and with our suppliers is governed by our Code of Conduct and Modern Slavery Statement & our Supplier Code of Conduct.

PRODUCT LIABILITY

The production operation and product composition are managed in accordance with applicable EU legislation and consolidating acts as last amended. This includes, but is not limited to regulations covering:

While every effort has been made to ensure accuracy, we don't assume any legal liability except as required by applicable law. Due to inherent uncertainties in sampling and analysis, occasional deviations from the specified data may occur. This specification remains effective without signature and may be amended without prior notice.
