DV5120

- ✓ Vitamin D contributes to the normal function of the immune system.
- ✓ Vitamin D contributes to the maintenance of normal teeth, bones and muscle.

DIRECTIONS: Take 1-2 capsules a day (children over 5 years, 1 a day), with meals, or as your health professional advises. If also taking a multivitamin, only take 1 capsule a day. Do not exceed recommended daily intake.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

This bottle has a UV filter.

Keep out of reach of children.

Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
