Romagna Apricot
PURE FRUIT • PURE PLEASURE • ORGANIC

PURE FRUIT. PURE PLEASURE.
 Naturally sweetened by sunshine, not sugar.
 Enjoy apricots grown under the Mediterranean
 sun for a moment of pure pleasure at breakfast.
 It takes twice as much fruit to make Frutteto*
 because it's made with 100g of apricots per 100g.
 That's why it tastes so intensely fruity!

ARTISAN-MADE IN SMALL BATCHES
 Great Taste Award winner
